An act relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 1000, as introduced, Denham. Vehicles: special interest license plates: agriculture

Existing law requires the Department of Motor Vehicles to issue special interest license plates upon compliance with certain requirements, including payment of certain additional fees.

This bill would set forth a statement of legislative intent to establish a special interest license plate program relating to California agriculture.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to establish a
- 2 special interest license plate program relating to California
- 3 agriculture.
